

Allen Cognitive Network

Bibliography of Published Literature related to the Cognitive Disabilities Model
- Updated Feb 18th, 2025

Compiled by Sarah Austin, MS, OTR/L and Deane B. McCraith, MS, OT/L for Allen Cognitive Network and Advisors, www.allen-cognitive-network.org

Journal Articles:

1. Allen, C. K. (1982). *Independence through activity: The practice of occupational therapy (psychiatry)*. American Journal of Occupational Therapy, 36(11), 731-739.
2. Allen, C. K. (1987). *Activity: Occupational therapy's treatment method*. 1987 Eleanor Clarke Slagle lecture. American Journal of Occupational Therapy, 41(9), 563-575.
3. Allen, C. K. (1988b). *Occupational therapy: Functional assessment of the severity of mental disorders*. Hospital & Community Psychiatry, 39(2), 140-142.
4. Allen, C. K. (1989). *Treatment plans in cognitive rehabilitation*. Occupational Therapy Practice, 1(1), 1-8.
5. Allen, C. K. (1990b). *Development of a research tradition*. American Occupational Therapy Association, Mental Health Special Interest Section Newsletter, 13(2), 1-3.
6. Allen, C. K. (1991a). *Cognitive disabilities and reimbursement for rehabilitation and psychiatry*. Journal of Insurance Medicine, 23(4), 245-247.
7. Allen, C. K. (1991b). *Crafts program utilizes abilities of cognitively disabled*. Provider, 17(12), 35.
8. Allen, C. K. (1994). *Letter to the Editor*. Canadian Journal of Occupational Therapy, 62(1), 49.
9. Allen, C. K., & Allen, R. E. (1987). *Cognitive disabilities: Measuring the social consequences of mental disorders*. Journal of Clinical Psychiatry, 48, 185-190.
10. Allen, C. K., & Mendel, W. M. (1982). *Chronic illnesses and staff burn out: Revised expectations for change in the supportive-care model*. International Journal of Partial Hospitalization, 1, 191-201.
11. Bakke, B. L., Kvale, S., Burns, T., & McCarten, J. R. (1994). *Multicomponent intervention for agitated behavior in a person with Alzheimer's disease*. Journal of Applied Behavior Analysis, 27(1), 175-176.
12. Bar-Yosef, C., Weinblatt, N., & Katz, N. (1999). *Reliability and validity of the Cognitive Performance Test (CPT) in an elderly population in Israel*. Physical and Occupational Therapy in Geriatrics, 17(1), 65-79.
13. Bieber, D. C., & Keller, B. (2005). *Falls and the client with dementia: Using the occupational profile and Allen cognitive level to direct care*. Gerontology: Special Interest Section Quarterly, 28(2), 1-3.
14. Black, P., & Glickman, N. S. (2006). *Demographics, Psychiatric Diagnoses and Other Characteristics of North American Deaf and Hard of Hearing Inpatients*. Journal of Deaf Studies and Deaf Education, 15(3), 303-321.
15. Brown, C. (2000). *Clinical interpretation of "A comparison of the Allen Cognitive Level Test and the Wisconsin Card Sorting Test in adults with schizophrenia"*. American Journal of Occupational Therapy, 54(2), 134-136.
16. Burke, M. S., Josephson, A., & Sebastian, C. S. (1995). *Clozapine for the treatment of adolescents with schizophrenia*. Journal of the American Academy of Child & Adolescent Psychiatry, 34(2), 127-128.

17. Burns, T., McCarten, J. R., Adler, G., Bauer, M., & Kuskowski, M. A. (2004). *Effects of repetitive work on maintaining function in Alzheimer's disease patients*. American Journal of Alzheimer's Disease and Other Dementias, 19(1), 39-44.
18. Burns, T., Mortimer, J. A., & Merchak, P. (1994). *Cognitive Performance Test: A new approach to functional assessment in Alzheimer's disease*. Journal of Geriatric Psychiatry and Neurology, 7(1), 46-54.
19. Cairns, A., Hill, C., Dark, F., McPhail, S., & Gray, M. (2013). *The Large Allen Cognitive Level Screen as an indicator for medication adherence among adults accessing community mental health services*. British Journal of Occupational Therapy, 76(3), 137–143. <https://doi.org/10.4276/030802213X13627524435180>
20. Carmel, R., Katz, N., & Modai, I. (1996). *Construct validity of the Allen Cognitive Level (ACL) test: Relationship of cognitive level to hand dexterity in a group of adult inpatients suffering from major depression*. The Israel Journal of Occupational Therapy, 5(4), E230-231.
21. Chan, C., Ray, S., & Trudeau, S. (2001). *The development and reliability of the Cantonese version of the Allen Cognitive Level Screen*. Occupation Therapy International, 8(4), 287-300.
